

Training and Qualification Policy for Erecting Proscaf System Scaffolding

Proscaf Modular System Scaffold must only be installed by operatives competent in scaffold erection, dismantling and alteration. Competency is gained by completion of approved courses such as the CISRS 2 Day System Scaffolding Product Training Scheme (SSPTS) in the ROSETTE / RING category.

The Validity of a CISRS card can be quickly confirmed by contacting the CISRS Helpline on 0870 417 7223

For more complex scaffold structures, a CISRS Advanced Scaffolder must undertake direct supervision of the gang.

For technical advice and design support contact Proscaf Technical Department 0845 382 1000
